The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**RESOLUTION OF SUMMARY VACATION
STORM DRAIN EASEMENT EAST OF
SOLEDAD CANYON DRIVE - ACTON
SUPERVISORIAL DISTRICT 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the vacation of the easement for storm drain and storm drain ingress and egress and appurtenant structures east of Soledad Canyon Road, pursuant to the enclosed Resolution of Summary Vacation, is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) in accordance with Sections 15304, 15305, and/or 15321 of Title 14 of the California Code of Regulations (the State CEQA Guidelines).
2. Find that:
 - a. The easement is no longer required for public use and that it may be vacated under the authority of Section 5400 of the California Health and Safety Code.

- b. Pursuant to Section 8333(a) of the California Streets and Highways Code, the easement has not been used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation.
 - c. The easement is no longer needed for present or prospective public use.
 - d. The easement is not useful as a nonmotorized transportation facility.
3. Adopt the enclosed Resolution of Summary Vacation, storm drain easement east of Soledad Canyon Drive, to vacate the easement described in Exhibit A and depicted in Exhibit B of the Resolution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Waterworks District No. 37, on behalf of the County of Los Angeles, the underlying fee owner, requested this vacation to remove from the public record County interest and public easement rights within the proposed vacation area. Waterworks District No. 37 is proposing to modify their water treatment operation to comply with new water quality regulations by constructing an additional building to house new treatment equipment. The only possible location for the new building is within the proposed vacation area. Vacation of the easement will provide additional buildable area.

It is in the County's best interest to vacate this easement since it no longer serves the purpose for which it was dedicated. With this action your Board will vacate an easement the County and the public no longer need.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the vacation of the easement will eliminate unnecessary maintenance cost and reduce the County's possible exposure to liability.

FISCAL IMPACT/FINANCING

Vacation of the easement will not have a negative fiscal impact on the County's budget. The vacation processing fee has been waived as this is a County-initiated project. The waiver of the fee is authorized by your Board in a Resolution adopted May 4, 1982, Synopsis 62 (Fee Schedule), and as prescribed in Section 8321 (f) of the California Streets & Highways Code.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The area to be vacated contains approximately 579 square feet and is shown on the map attached to the Resolution.

The Streets and Highways Code Section 8333 provides "The legislative body of a local agency may summarily vacate a public service easement in any of the following cases: (a) The easement has not been used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation."

The County's interest was acquired by Final Order of Condemnation entered in Los Angeles County Superior Court Case No. 591113, a certified copy of which was recorded February 16, 1953, as Instrument No. 2621, in Book 40980, page 63, of Official Records, in the office of the Registrar-Recorder/County Clerk as an easement for storm drain and storm drain ingress and egress and appurtenant structures purposes.

Adoption of the enclosed Resolution will terminate the County's right and interest in the easement. Your action will also result in the property being unencumbered of the easement, thereby allowing the underlying fee owner to exercise its reversionary rights over the vacated area.

ENVIRONMENTAL DOCUMENTATION

Based on the above, this proposed vacation is categorically exempt from CEQA as specified in Sections 15304, 15305, and/or 15321 of the State CEQA Guidelines.

IMPACT ON CURRENT SERVICES OR PROJECTS

The Regional Planning Commission has determined that the proposed vacation is not in conflict with the County-adopted General Plan.
